COMMISSIONER FOR PATENTS  
Alexandria, VA 22313-1450

Dear Commissioner:

Applicants submit this Interview Summary to memorialize the substance of the interview with Examiners Turk and Warden on May 5, 2010.

**Telephonic Interview and Interview Summary**

The Applicant's representatives and Examiners Turk and Warden discussed the scope of enablement rejection that was alleged under 35 U.S.C. §112, first paragraph. No agreement for overcoming the rejection was reached on this issue. The Applicant's representatives and Examiners Turk and Warden also discussed the specification objections. The Examiners agreed that Applicants' proposed specification amendments further describing FIG. 4, if submitted, would overcome the pending objections and did not add new subject matter.

If there are any matters which may be resolved or clarified through an additional telephone interview, the Examiner is requested to contact the undersigned attorney at (312) 425-8552.
